

Dance 1 & Terrific 2's

Welcome to Dance Class

We would like to welcome all our Terrific 2's and Dance 1 students to The Dance Centre'. We are going to have their first class before the regular season begins. Your Welcome to Dance class will be on August 30th or August 31st or September 2nd during your regular scheduled class time. You will not have class the following week on September 6th & 7th. Your classes will then resume on September 13th & 14th or 9th. Our goal is to begin class in 1 room with the parents & students and then transition the students into their classroom without the parents with the teachers for the remainder of the class. We ask only 1 parent come with them for this first class. We have found this is a great way to transition them into the classroom on their own. We are so excited to get started with another great dance season and meet you and your dancers.

A couple of reminders to help us out:

- Please have your child dressed and ready with their ballet shoes on before they enter class. We will explain how to properly tie & cut their shoe strings on their ballet shoes, unless they bought the lily shoe that has no strings.
- Please have them use the restroom before they come into class. If your child is still in a diaper or pull up that is ok, or if you are working on potty training let us know.

Reminder: You will come at your regular scheduled class time on Monday, August 30th, Tuesday, August 31st or Thursday, September 2nd.

***If for some reason you cannot make it to your scheduled class time you can come to another class time on the 30th or 31st, just call or e-mail the office and let us know which class you want to attend.*
